

Keeping your photos in order: Checklist

Empowering Mummies.
Inspiring Minxes.

Weekly

- Download camera photos to computer
- Download phone /other device photos to computer
- Delete photos from camera and phone
- Rank photos
- Delete shots you don't love
- Choose photos for printing and place in a separate folder or to USB

Monthly

- Print the photos you have chosen
- Place photos into albums or frames
- Update digital photo frames
- Back up the month's photos to USB. Give to another person.
(note: you can do this quarterly if you are not prolific)
- Back up photos to cloud storage *(note: you can automate this process)*

Yearly

- Create a photo book of your year
- Use photos and photo creations from photos for presents

Creating the Memories *Cherishing* the Moments
